Mobile Solutions Hires DNR Sales

Mobile Solutions is excited to announce that DNR Sales has been hired as its sales agent in the upper Midwest. DNR Sales will represent Mobile Solutions in Minnesota, Wisconsin, the Dakotas, and the Michigan U.P. DNR Sales is headquartered in Bloomington, MN.

“We are super excited to represent Mobile Solutions. The vehicles of today have become increasingly complex to add aftermarket electronics to. Bryan’s trainings and his state of the art installation tools will be instrumental in helping our dealers to perform this work efficiently and raise the bar,” remarked Jeff Causton of DNR Sales. “It is with great excitement that we announce the hiring of DNR Sales. There are many opportunities for the specialist in today’s market and Mobile Solutions’ objective is to help our retailer partners to uncover these opportunities. Partnering with DNR Sales is the best way for us to accomplish this objective with specialty retailers in this geography,” said Bryan Schmitt, owner of Mobile Solutions.

DNR Sales offers dealers the entire Mobile Solutions catalog – including *SMART PARTS* and *Master Tech* trainings – both on-site and at the Tempe, AZ facility. In addition, DNR Sales has already announced their first in-territory *Master Tech On-Site* training schedule in conjunction with Mobile Solutions. Event dates are as follows:

Date	Time	City	Hosting Dealer
March 16 th	9:00 AM – 5:00 PM	Burnsville, MN	Tintmasters Motorsports
March 17 th	9:00 AM – 5:00 PM	St. Joseph / St. Cloud, MN	The Sound Connection
March 18 th	9:00 AM – 5:00 PM	Fargo, ND	Site on Sound

These will be *must attend events* for industry professionals that want to offer their customers best in class installation, performance, and service. Bryan Schmitt will cover the following topics in great detail at each event:

Advanced Fabrication – ½ day

- Advanced Router Techniques
- Trim Panel Fabrication
- Acrylic Logo Branding

System Calibration and OEM Integration – ½ day

- Sound System Gain Architecture
- Level Setting and System Tuning Strategy
- Upgrading OEM Systems – Become the Expert!

Learn how to put the tools of the trade to work for your shop!

Learn how to make money by performing custom installations efficiently!

You can also choose to attend a Master Tech Boot Camp Program in Tempe, AZ!
